

Lloseta, BALEARIC ISLANDS, Raiguer

Town House Lloseta To Reform

This town house is located in the old part of Lloseta, in a very quiet area, overlooking the village and the mountains. The house needs a complete renovation and could be reformed as a detached house as it is currently, with 2 separate houses or even a small rural hotel given its size. On the ground floor there is a large garage, living room, 4 bedrooms, 1 bathroom, kitchen, access to a large garden. On the first floor there are 3 bedrooms, 1 bathroom, living room, dining room, kitchen, terrace.
